

## CURRICULUM VITAE JACQUES POOT

**Full name:** Hendricus Jacobus (Jacques) Poot

**Personal background:** born 17 August 1955 in Schiedam, The Netherlands; has dual Netherlands / New Zealand citizenship; married; three adult children

**Present position:**

Emeritus Professor of Population Economics, University of Waikato, Hamilton, New Zealand (since 2018)  
and

Visiting Professor, Department of Spatial Economics, School of Business and Economics, Vrije Universiteit Amsterdam, The Netherlands (since 1998)

**Work address:** Te Ngira: Institute for Population Research, University of Waikato, Private Bag 3105, Hamilton 3240, New Zealand

Tel.: +64-7-838-4040

E-mail: [jacques.poot@waikato.ac.nz](mailto:jacques.poot@waikato.ac.nz) or [h.j.poot@vu.nl](mailto:h.j.poot@vu.nl)

Website: <https://www.iza.org/en/people/fellows/2751/jacques-poot>

**Academic qualifications:**

Doctor of Philosophy, Victoria University of Wellington, 1984

Thesis title: *Models of New Zealand Internal Migration and Residential Mobility*

Doctorandus in Econometrics (US/UK equivalent: MSc), Vrije Universiteit Amsterdam, 1978

Thesis title: *Disaggregation of the Production Factor Labour in the Production Function*

Candidate in Econometrics (US/UK equivalent: BSc), Vrije Universiteit Amsterdam, 1974

**Honours, awards and distinctions:**

**International**

Top 5% author of research papers in economics, <https://ideas.repec.org/top/top.person.all.html>

Affiliate Researcher, University of Birmingham (UoB) & Vrije Universiteit (VU) Amsterdam Big Data and Economics Research Network (BVRN), since September 2021

Associate, Institute for Research into Superdiversity (IRiS), University of Birmingham, since January 2021

Fellow, Global Labor Organization, since March 2017

Elected Fellow (since 2015) Regional Science Association International (RSAI, an international community of about 4500 scholars interested in the spatial aspects – ranging from local to global scales – of processes of economic and social change)

Vice President (2016) and Elected Councillor-at-Large, 2015-2017 and 1997-1999, RSAI

Fellow-in-Residence at the Netherlands Institute for Advanced Study in the Humanities and Social Sciences (NIAS), September 2014 – January 2015 [only about 40 Fellowships are awarded annually from about 300 applications]

Elected Member of the Academia Europaea, *honoris causa*, since October 2012

International Prize of Environmental Creation 2012 [this Prize is offered by the *International Institute of Environmental Creation*, Hokkaido, Japan]

Visiting Professor of the Royal Netherlands Academy of Arts and Sciences (KNAW), August 2010 – July 2011 [Appointment as KNAW visiting professor is by competitive selection]

Member, Spinoza Prize Selection Commission, The Netherlands, 2008-2010

[This Commission selects up to four personal Awards annually to the value of 2.5 million euro each to the most outstanding scholars in The Netherlands across all disciplines]

Research Fellow, IZA – Institute for the Study of Labor, Bonn, since October 2009

External Research Fellow, Centre for Research and Analysis of Migration (CReAM), University College London, since July 2007

Elected Correspondent (equivalent of Honorary Fellow), Royal Netherlands Academy of Arts and Sciences, since April 2002

Member of the Editorial / Scientific / Advisory Board: *New Frontiers in Regional Science: Asian Perspectives* (since 2017); *Applied Spatial Analysis and Policy* (since 2016); *Asia-Pacific Journal of Regional Science* (since 2016); *Regional Economies and Policies* (2016-2017); *Italian Journal of Regional Science* (Scienze Regionali; since 2015); *Region, Journal of the European Regional Science Association* (since 2013); *Review of Regional Research* (Jahrbuch für Regionalwissenschaft; since 2013); *IZA Journal of Development and Migration* (since 2012); *International Journal of Population Research* (June 2010 – February 2012), *Papers in Regional Science* (since 1997); *Australian Journal of Labour Economics* (since 2001); *Studies in Regional Science* (since 1998); *Australasian Journal of Regional Studies* (since 1995)

Pacific Editor, *Papers in Regional Science*, 1998-2006

President, Pacific Regional Science Conference Organisation, 1998-1999

Visiting Fellow, Netherlands Institute for Advanced Study (NIAS) in the Humanities and Social Sciences, Wassenaar, November - December 1991

Visiting Fellow, University of Utrecht, May - August 1991

Professional Associate, Population Programme, East-West Centre, Honolulu, Hawaii, June/July 1986 and June/July 2004

Winner of the 1985 Ph.D. level Dissertation Medal of the Regional Science Association (Australia and New Zealand Section)

Visiting Fellow, Australian National University, January - April 1991 and November 1984 - January 1985

Awarded Australian National University Ph.D. Scholarship in 1979 (not taken up)

## **New Zealand**

Ranked #4 of 299 in New Zealand in research papers in economics (publications last 10 years) and #11 (publications all years); . <https://ideas.repec.org/top/top.newzealand.html> (February 2022)

Honorary Professor, School of Accounting, Finance & Economics (SAFE), University of Waikato (July 2019 – December 2022)

NZ-UK Link Foundation Visiting Professor (hosted by the School of Advanced Studies, University of London), September – November 2015 [at most two of these Visiting Professorships were awarded annually across all disciplines and universities in New Zealand]

NZIER Economics Award, 2013 [this is New Zealand's leading prize in economics awarded to an economist for sustained research excellence in work that makes a significant contribution to informing public policy in New Zealand]

Statistics New Zealand Prize 2010 (jointly with Steven Stillman, University of Otago)

[This Prize is offered for the best paper using official statistics presented at the New Zealand Association of Economists annual conference]

Affiliate, Motu Economic and Public Policy Research Trust, since April 2007

Member of the Editorial Board: *Kōtuitui – New Zealand Journal of Social Sciences* (2005-2011)

Trustee of the New Zealand - Netherlands Foundation, 1988 – 2008

Claude McCarthy Fellow, August - October 1987

Member of the Population Monitoring Group of the New Zealand Planning Council, 1982-1989

**Previous professional positions held:**

2004-17 Professor of Population Economics, University of Waikato, Hamilton, New Zealand

1997-03 Associate Professor, School of Economics and Finance, Victoria University of Wellington, New Zealand

1994-97 Foreign Professor, Institute of Policy and Planning Sciences, University of Tsukuba, Japan

1979-94 Junior Lecturer (1979-81), Lecturer (1982-86), Senior Lecturer (1987-92) and Reader (1993-94), Department of Economics, Victoria University of Wellington, New Zealand

1976-78 Research Assistant, Faculty of Economics and Business Administration, Vrije Universiteit Amsterdam, The Netherlands

**Present research/professional speciality:**

Economics of population (migration, fertility, labour force, ageing, population distribution); Meta-analysis; Monopsony in local labour markets; The “New Economic Geography” and implications for New Zealand; Regional development; Globalisation; Empirical evidence for endogenous growth; Transportation and environmental policy; Housing markets; Forecasting.

**Teaching:**

*Courses taught:* 100 level: Mathematics and Statistics for Business and Economics; Introductory Economics; 200 level: Intermediate Microeconomics; Intermediate Macroeconomics; Building Economics; Applied Economic Statistics; Business and Economic Forecasting; Introduction to Population Studies; 300 level: Applied Demography; Labour Economics; Regional and Urban Economics; Environmental Economics; 400/500 level: Advanced Econometrics; Advanced Labour Economics; Demography.

**Thesis supervision, full-year research Masters or PhD (when chief supervisor, this has been indicated by #; for current supervision the year in italics indicates expected year of thesis submission):**

#1996 Wen-Chuan Chang, MEnvSc, University of Tsukuba, *Environmental Policy and New Investment in the Petrochemical industry in Taiwan.*

#1997 Keiko Hirota, MIntPolEc, University of Tsukuba, *Internalization of the Cost of Water Pollution through the Market Mechanism; the Case of Peru.*

#1999 Katja Kleinveld, Drs, Vrije Universiteit Amsterdam, *Does Economic Liberalisation and Reform Increase Long-run Growth? A Case Study of New Zealand.*

#2000 Kerry Papps, MCA, Victoria University of Wellington, *Wage Determination in Local Labour Markets: Theory and Evidence for the Wage Curve in New Zealand. This thesis won the 2001 A R Bergstrom Prize in Econometrics.*

#2004 Osman Hussein, MCA, Victoria University of Wellington, *The Influence of Age-Composition on Saving Rates: a Meta-analytical Approach.*

2005 Pramod Regmi, MSocSc, University of Waikato, *A Study of Child Malnutrition in Nepal.*

2005 Simonetta Longhi, PhD, Vrije Universiteit Amsterdam, *Open Regional Labour Markets and Socio-economic Developments: Studies on Adjustment and Spatial Interaction.*

#2006 Lynda Sanderson, MPhil, University of Waikato, *International Mobility of Recent Migrants: Theory and Application to New Zealand and British Citizens in Australia. A paper derived from this thesis won the 2006 NZ Association of Economists Jan Whitwell Prize.*

- 2007 Kay Webster, MSocSc, University of Waikato, *The Maintenance of Group Identity through Social Networks in the Bay of Plenty Dutch Community*.
- 2011 Julia Beckhusen, PhD, Purdue University, *The Role of Human Capital in International Migration*.
- #2011 William Cochrane, PhD, University of Waikato, *A Spatial Econometric Analysis of Selected Local Labour Market Outcomes in New Zealand..*
- #2011 Lynda Sanderson, PhD, University of Waikato, *International Engagement and Performance of New Zealand Firms*.
- 2012 Valente Matlaba, PhD, University of Waikato, *Regional Socio-Economic Transformation in Brazil*.
- #2013 Matthew Roskrug, PhD, University of Waikato, *Selected Econometric Models of Social Capital Formation in New Zealand*.
- 2013 Ceren Ozgen, PhD, Vrije Universiteit Amsterdam, *Impacts of Immigration and Cultural Diversity on Innovation and Economic Growth*.
- #2014 Steven Bond-Smith, PhD, University of Waikato, *Innovation and Growth: Theoretical Models and Analytical Simulations of Spatial, Clustering and Competition Effects*.  
**Presentation of a chapter of this thesis won the Student Presentation Award at the 22nd Pacific Regional Science Conference held in Seoul, Korea, 3-6 July, 2011.**
- 2015 Güney Celbis, PhD, Maastricht University, *Regional Policies: Convergence, Trade, and the Allocation of Public Capital*.
- 2018 Ngoc Thi Min Tran, PhD, University of Waikato, *The Two-way Relationship between International Migration and Institutional Quality in the Migration and Development Nexus – the Case of Vietnam*.
- #2019 Omoniyi Alimi, PhD, University of Waikato, *Inequality Within and Between New Zealand Urban Areas*. **A draft chapter of this thesis won the 2017 Jacoby Prize of the Population Association of New Zealand. Another chapter won the 2017 Student Prize of the Australia and New Zealand Regional Science Association.**
- 2021 Mohana Mondal, PhD, University of Waikato, *Ethnic Mobility and the Spatial Distribution of Ethnicity in Auckland*.

#### **Involvement in externally-funded large ( $\geq$ NZD 0.1 million) research projects since 2004:**

- Feb 2004 – Sep 2009, Foundation of Research, Science and Technology: *Enhancing Wellbeing in an Ageing Society*, NZD 4.4 million (researcher, and contract leader 2004-06)
- Jul 2004 – Jun 2009, Tertiary Education Commission: *Building Research Capability in the Social Sciences*, NZD 8 million (member, board of managers)
- Feb 2005 – Jan 2009, Marsden Fund: *Settlement and Circulation of New Zealanders Living in Australia*, NZD 0.6 million (principal investigator)
- Jul 2005 – Dec 2009, Cross-Departmental Research Fund: *Economic Impacts of Immigration*, NZD 1.0 million (convener, panel of international experts)
- Jul 2006 – Jun 2011, Foundation of Research, Science and Technology: *Infrastructure*, NZD 1.6 million (sub-contractor to Motu)
- Jul 2006 – Sep 2010, Foundation of Research, Science and Technology: *Choosing Regional Futures*, NZD 1.6 million (sub-contractor to Environment Waikato)
- Jul 2007 – Sep 2012, Foundation of Research, Science and Technology: *Integration of Immigrants*, NZD 3.1 million (objective leader)
- Jul 2007 – Dec 2009, Research and Education Advanced Network New Zealand Capability Building Fund: *Spatially Integrated Poverty Mapping*, NZD 0.2 million (researcher)
- Jul 2009 – Jun 2010, Foundation of Research, Science and Technology: *From Planet to Paddocks: an Integrated, Multi-Scale Assessment of Climate Change Influences on Land-Use Trends*, NZD 0.1 million (researcher)
- Sep 2009 – Jan 2014, NORFACE: *Migrant Diversity and Regional Disparity in Europe*, EUR 2.4 million (co-principal investigator)
- Oct 2012 – Sep 2014, Ministry of Business, Innovation and Employment: *Nga Tangata Oho Mairangi: Regional Impacts of Demographic and Economic Change*, NZD 1.0 million (including co-funding; co-principal investigator)

Oct 2014 – Mar 2021, Ministry of Business, Innovation and Employment: *Capturing the Diversity Dividend of Aotearoa New Zealand*, NZD 5.4 million (principal investigator Oct 2014 – Apr 2017)  
Oct 2016 – Sep 2019, Ministry of Business, Innovation and Employment: *Building Better Homes Towns and Cities (National Science Challenge 11): Whenu 1*, NZD 0.2 million (sub-contractor to Motu Economic and Public Policy Research)

### **Current and past professional and administrative service:**

Member, New Zealand Association of Economists Panel of Experts, since August 2021.

Co-editor, Special Issue on Spatial Demography in Regional Science, *Journal of Geographical Systems*, 2021

Member, Programme Committee, RSAI World Congress, Marrakech, Morocco, May 25-28, 2021; and co-organiser of the New Zealand hybrid satellite sessions, Wellington, May 28, 2021.

Section Editor, "Regional economic growth", *Handbook of Regional Science*, Second and Extended Edition, Springer, 2019-2021

Member, European Science Foundation College of Expert Reviewers, 2018-2020.

Lead Assessor, New Zealand Ministry of Business, Innovation and Employment (MBIE) Endeavour Fund applications (Smart Ideas and Research Programmes), since 2016.

Member, Jury, ERSA Prize, 2008-2010 and 2016-2019 (Vice-President, 2019).

Editor, *Economies*, Special Issue on "Migration and Economic Growth" (2015-2017)

Member, Long Range Planning Committee, Regional Science Association International, 2015-2018

Member, PRSCO Young Scientist Prize Committee, 2015-2018

Member, James Cook Research Fellowship Assessment Panel for the Social Sciences, Royal Society of New Zealand, 2014

Member, Organising Committee, Special Sessions on "Population, Labour and Regional Science" at the 10th World Congress of RSAI, Bangkok, May 26-30, 2014 (cancelled) and at the North American Regional Science Conference, Washington DC, November 12-15, 2014

Member, Organising Committee, Population Association of New Zealand (PANZ) 40<sup>th</sup> Anniversary Event, 17 July 2014

Advisor, Royal Society of New Zealand 2014 issues paper *Our Futures: Te Pae Tāwhiti* on the changing nature of NZ society, using 2013 census data

Co-organiser of the "Casino Royal: Double Minds on Future Cities" Special Session at the 53rd European Regional Science Association (ERSA) Congress, Palermo, Italy, 27 August 2013.

Member, Journal Review Committee, *Regional Science Policy & Practice*, 2013

Member, CPI Advisory Committee, Statistics New Zealand, May 2013

Member, Programme Committee, 2013 MAER-Net Colloquium, September 5-7, University of Greenwich, United Kingdom

Convener, NIDEA seminars, February 2013 – February 2017.

Co-chair, Organising Committee, International Workshop "E Pluribus Prosperitas: The Economics of Cultural Diversity", Vrije Universiteit Amsterdam, April 15-17, 2013

Member, Program Committee, International Conference, "Increasing heterogeneity in the workforce and its impact", Institute for Employment Research IAB, Nuremberg, December 6-7, 2012

Chair and Discussant, "Migrant entrepreneurship: an overview of the barriers, catalysts and the potential for economic growth" Session at the Pathways to Metropolis in the 21st Century: Immigration Issues and Futures Conference, Massey University, Albany Campus, October 24-26, 2012

Advisor, New Zealand Productivity Commission for the Study on *Strengthening Trans-Tasman Economic Relations*, 2012

Chair, Organising Committee, International Workshop on Economic Impacts of Immigration and Population Diversity, National Institute of Demographic and Economic Analysis (NIDEA), April 11-13, 2012

Member, Organising Committee, International Workshop on Population Ageing and the Labour Market, National Institute of Demographic and Economic Analysis (NIDEA), February 2-3, 2012

Co-editor, Special 50<sup>th</sup> Anniversary Issue, *Studies in Regional Science*, 2012

Co-editor, Special issue on International Migration, *Annals of Regional Science*, 2012

Member, Labour and Immigration Research Centre Advisory Group, Department of Labour, May 2011 – April 2012.

Member, Scientific Committee, European Regional Science Association (ERSA) Conference, Barcelona, 30 August – 2 September 2011

Member, Programme Committee, 2011 MAER-Net Colloquium on International Development, September 17-18, 2011, Wolfson College, Cambridge University

Member, National Advisory Group on the Development and Use of Spatial Planning Tools, 2011 onwards

Member, Scientific Committee, Summer Course of the Regional Science Association, Azores, 13-24 June 2011

Section Editor, "Regional economic growth", *Handbook of Regional Science*, Springer, 2011-2012

Expert Reviewer, European Research Council, 2010-2020

Member, Advisory Group, Academic Workforce Planning – Toward 2020, a collaborative project across the eight universities of New Zealand, September 2009 – December 2010

External Faculty Member, Graduate School, Purdue University, 2008-2013

Programme Co-ordinator, Australian Labour Market Research Workshop (ALMRW), conference jointly with the 13<sup>th</sup> New Zealand Labour Employment and Work conference (LEW13), Wellington, December 11-12 2008

Chairperson, New Zealand Dutch Community Forum "Onze Hoe Wie" (April 2007 – November 2008)

Member, Programme of Social Statistics Advisory Group, Statistics New Zealand (March 2006 – December 2011)

Reviewer, junior scholar papers submitted for the Epainos Prize at the European Regional Science Association Conference, 2005, 2007 & 2008

Convener, International Expert Group, Economic Impacts of Immigration Research Programme, Department of Labour (July 2005 – December 2008)

Member, Board of Management, Building Research Capability in the Social Sciences (BRCSS) Network funded by Tertiary Education Commission (July 2004 – June 2009)

Director, Population Studies Centre, University of Waikato (Feb 2004 – Jan 2007)

Member, Performance Based Research Fund (PBRF) Internal Panel for Business and Economics, Victoria University of Wellington, 2003

Membership of professional organisations: American Economic Association; Australian Society of Labour Economists; European Society for Population Economics; New Zealand Association of Economists; NIAS Fellows' Association, Population Association of New Zealand; and various sections of the Regional Science Association International.

## RESEARCH OUTPUT

### A selection of international invited keynote and plenary presentations since 2000

*Wages and unemployment: A meta-analysis of research on the wage curve in regional labour markets.* 6th Summer Institute of the Pacific Regional Science Conference Organisation, Mexico City, Mexico, June 2000.

*Disparities and despair: changes in regional income distributions in New Zealand 1981-1996.* 24th Annual Conference of the Australian and New Zealand Section of the Regional Science Association International, Hobart, Australia, December 2000.

*What can regional scientists learn from the wage curve?.* 16th Annual meeting of the Applied Regional Science Conference, Okayama University, Japan, December 2002.

*Peripherality in the global economy.* World Congress of the Regional Science Association International. Port Elizabeth, South Africa, April 2004.

*Changes in social security eligibility and the international mobility of New Zealand citizens in Australia.* Conference International Perspectives on Immigration and Immigration Policy, Australian National University, Canberra, Australia, November 2006.

*A longitudinal perspective on Trans-Tasman mobility of the antipodeans of the Dutch.* Royal Netherlands Academy of Arts and Sciences, Amsterdam, The Netherlands, September 2007.

*Trans-national working and living in the 21st century: an Australasian perspective on the new paradigm.* Panel on Circular and Temporary Migration, 13th International Metropolis Conference, Bonn, October 2008.

*International evidence regarding the labour market impact of immigration: lessons from meta-analysis.* United Nations Development Programme, New York, November 2008.

Meta-data and meta-analysis. Summer School of the Australian Research Council Research Network on Spatially Integrated Social Sciences, University of Queensland, Australia, February 2009.

*The effect of migration on income convergence: meta-analytic evidence.* Workshop on Determinants and Effects of Interregional Mobility, Alghero, Sardinia, Italy, October 2009.

*Selected findings from recent New Zealand research on the economic impacts of immigration.* International Workshop on Migration Impact Analysis: New Horizons, Vrije Universiteit Amsterdam, The Netherlands, March 2010.

*Growth in cities: a meta-analysis revisited.* Meta-Analysis of Economic Research (MAER)-Net colloquium, Hendrix College, Conway, Arkansas, USA, October 2010.

*The impact of immigration on innovation: evidence from Europe and New Zealand.* Seminar on Space, Health and Population Economics, Purdue University, Lafayette, Indiana, USA, August 2011.

*The colour of future cities: grey or a rainbow?* High Level Session and Panel: "The New Urban World", 51st ERS Conference, Barcelona, Spain, August 2011.

*Strangers on the move: advances in migration impact assessment.* Round Table Discussion on Sciences, Culture and Society: Mobility and Integration. Academia Europaea, UNESCO Headquarters, Paris, France, September 2011.

*Islands on the edge of the global economy.* International Symposium on Migration, Environment and social Development in the Pacific Islands. University of the Ryukyus, Okinawa, Japan, March 2012.

*Innovation, creativity and economic vitality.* 12th PRSCO Summer Institute and the 4th International Conference of RSAI on Regional Science and Sustainable Regional Development. Renmin University, Beijing, China, July 2012.

*Challenges and opportunities at the regional and local government level: a perspective from the antipodes.* EIB Policy Roundtable of the European Investment Bank Institute, University of Economics, Bratislava, Slovakia, August 2012.

*Lessons for Brazil, Japan and other countries from knowledge externalities research.* Plenary Jubilee Session of the Japan Section of the Regional Science Association International (JSRSAI) 50th Anniversary Conference, Tokyo, Japan, October 2012.

*Immigration and global economic welfare.* Plenary session on "The European Challenge in Uncertain Futures", Academia Europaea 25<sup>th</sup> Anniversary Conference, Wroclaw, Poland, September 2013.

*Immigration's impact on innovation: recent evidence from Europe and beyond.* European Migration Network (EMN) and Lithuanian EU Presidency Conference, "EU Agenda for growth: why migration matters", Vilnius, Lithuania, November 2013.

*The migration link between The Netherlands and New Zealand: past, present and future.* Conference on the Dutch diaspora in Australia and New Zealand, Monash Conference Centre, Melbourne, November 2013.

*Economic theories and evidence on regional growth.* Keynote address at the 37<sup>th</sup> Annual Conference of the Australia and New Zealand Regional Science Association International (ANZRSI), Hervey Bay, December 2013.

*Does cultural diversity of migrant employees affect innovation?* International Migration Review 50th Anniversary Symposium on International Migration Scholarship in the 21st Century: Critical Issues, Critical Questions. One New York Plaza, New York, September 2014.

*The measurement of cultural diversity in economic impact studies.* Netherlands Interdisciplinary Demographic Institute, The Hague, October 2014.

*The Dutch Diaspora in New Zealand.* Invited presentation at the Seminar on the Role and Position of the Dutch diaspora in Australia and New Zealand, NIDI (Netherlands Interdisciplinary Demographic Institute), The Hague, December 2014.

*Is welfare the magnet that draws the migrants? Lessons from Australasia.* Invited public lecture at the University of Southampton, sponsored by the NZ-UK Link Foundation and the Centre for Population Change. October 2015.

*Does cultural diversity boost innovation?* Invited public lecture at the University of Oxford, sponsored by the NZ-UK Link Foundation and the International Migration Institute. October 2015.

*Migration, networks and international trade.* Invited public lecture at the University of Leeds, sponsored by the NZ-UK Link Foundation and the University of Leeds. November 2015.

*Can the “weight of evidence” on impacts shape the future of international migration?* Invited public lecture at the London School of Economics, sponsored by the NZ-UK Link Foundation and the LSE Department of Geography and Environment. November 2015.

*Does cross-border population mobility accelerate global demographic convergence?* International IAB Workshop on "The Pensionado-Migration Nexus in Regional Labour Markets", Tinbergen Institute, Amsterdam, May 2016.

*Agglomeration and spatial cost-of-living differences: implications for inequality in New Zealand.* Invited presentation at the Advanced Brainstorm Carrefour (ABC) Urban Empires: Cities as Global Rulers in the New Urban World. Adam Mickiewicz University, Poznan, Poland, August 2016.

*Brexit, diversity and regional science.* Invited Spatial Economic Analysis lecture, 45th Annual Conference, Regional Science Association International – British and Irish Section, Newquay, Cornwall, United Kingdom, August 2016.

*Is demography destiny? The cities of the future.* Invited presentation at PHD International Media Company, London, September 2016.

*Regional science in a post-truth world.* Invited plenary panel presentation at the 40th Annual Conference of the ANZRSI, “Towards the Future: Emerging Priorities in Regional Policy and Practice”, RMIT University, Melbourne, December 2016.

*The impact of assortative matching on income inequality in the city.* Invited presentation at “CITIES4PEOPLE: Intelligent Data Analytics for Next-Gen Cities”, Jheronimus Academy of Data Science (JADS), 's-Hertogenbosch, November 2018.

*The Wage Curve - A Quarter Century after Blanchflower and Oswald's Book.* Invited keynote at a Workshop on the Wage Curve, University of Applied Labour Studies (HdBA), Schwerin, Germany, May 2019.

*Valuing cultural diversity of cities.* Invited presentation at “CITIES4PEOPLE: Towards Smart, Safe and Sound Cities”, Jheronimus Academy of Data Science (JADS), 's-Hertogenbosch, November 2019.

*Migration economics for the 2020s.* Invited keynote lecture at the conference “International and internal migration: challenges and opportunities in Europe”, Gran Sasso Science Institute, L'Aquila, Italy, January 2020.

*Economic perspectives on international migration in the post-pandemic world.* Invited online lecture at the Hochschule der Bundesagentur für Arbeit (HdBA) / University of Applied Labour Studies, Germany (579 participants), May 2021.

## **A selection of New Zealand invited plenary and keynote presentations since 2000**

*Changes in New Zealand regional income distributions 1981-1996.* The State, Economic Development and Ethnic Co-existence: A New Zealand / Malaysia Symposium, Victoria University of Wellington, February 2002.

*A meta-analytic assessment of the effect of immigration on wages.* New Directions: New Settlers: New Challenges Conference, Wellington, April 2004.

*The use of meta-analysis in empirical macroeconomics, with applications to the growth debate.* The Treasury, Wellington, June 2004.

*Global population change, and what does it mean on the edge of the global economy?* Hamilton Club, Hamilton, October 2004.

*Immigration to New Zealand: benefits, costs and broader issues.* University of the Third Age (U3A), University of Canterbury, Christchurch, October 2004.

*On the use of meta-analysis in the social sciences.* BRCSS National Access Grid, Building Research Capability in the Social Sciences Network, October 2006.

*Economic perspectives on migrants' home country attachment, remittances and travel.* Pathways, Circuits and Crossroads – New Research on Population, Migration and Community Dynamics, National Library, Wellington, May 2007.

*Twenty years of econometric research on Trans-Tasman migration.* Motu Public Policy Seminar, BP House, Wellington, November 2007.

*Modelling economic integration of immigrants in New Zealand: 'Getting Started'.* Pathways Conference, Wellington, June 2008.

*Trans-Tasman migration: stepping stone, exodus or circulation?* Annual Conference of the New Zealand Association for Migration and Investment, Auckland, August 2008.

*Drivers and economic impacts of Auckland demographic change.* Workshop on the Role of Auckland in the New Zealand Economy, Waikato Management School, Hamilton, October 2008.

*International migration: recent changes in a long-run perspective.* Department of Labour immigration Policy Team Day. Port Nicolson Yacht Club, Wellington, June 2009.

*The economics of migration.* 2010 Economics Teachers Professional Development Day, University of Waikato, December 2010

*Economic integration of immigrants in New Zealand: Winkelmann and Winkelmann revisited.* Conference "Immigration Pathways: Policy and Practice". City Gallery Wellington, December 2010.

*Economic impacts of immigration.* Motu Public Policy Seminar, Spectrum Presentation Theatre, BP House, Wellington and Old Government House, Auckland, December 2010

*Economic research on diversity: international perspectives.* Diversity Research Forum, Claudelands Event Centre, Hamilton. August 2011.

*Meta-analysis in economics.* Applied Econometric Study Group, The Treasury, Wellington, April 2012.

*The challenges of future rural population change.* Fieldays University of Waikato Seminar series, Mystery Creek Events Centre, June 2012.

*Learning from the flood of findings: meta-analysis in economics.* 53rd Annual Conference of the New Zealand Association of Economists, Palmerston North, June 2012.

*Impacts of infrastructure on trade: evidence from meta-analysis.* New Zealand Productivity Commission, Wellington, September 2012.

*Immigration, language and host country experience: what does it mean in the labour market?* Pathways conference “Mobile Populations: The impacts and Issues of Immigration and Linked Population Changes”, Massey University, Wellington, October 2013.

*Some thoughts on measuring population in an increasingly mobile world.* Panel presentation at the “Our People, Our Places” conference of the Population Association of New Zealand, University of Waikato, June 2015.

*An outline of CaDDANZ research.* “Diversity and Migration: Transforming Our Cities and Regions” – The Pathways, Circuits and Crossroads Conference, Westpac Stadium, Wellington, July 2015.

*Bridging and bonding: the role of social networks in labour market outcomes for migrants.* New Zealand Immigration Settlement Summit, Te Papa, Wellington, April 2016.

*Social networks and successful settlement of refugee youth: recent research findings.* National Refugee Resettlement Forum, Te Papa, Wellington, May 2016.

*The economics of cultural diversity; recent findings.* New Zealand Treasury, Reserve Bank Museum, Wellington, June 2016.

*Hometown and whānau, or big city and millennials?” The economic geography of graduate destination choices in New Zealand.* NIDEA Seminar, March 2020.

*The impact of covid-19 on New Zealand’s international migration.* Hamilton Rotary, June 2020.

*Economics of Migration.* Invited lecture, POLS 488 “Approaches to Migration Studies”, Victoria University of Wellington, April 2021.
